MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MARCH 22, 2005

REWARD OFFER

Since March 10, 2005, the Lancaster area has been plagued with vandalisms to approximately one hundred vehicles, five businesses and New Vista Middle School. The majority of the vandalisms involved broken vehicle windows which appear to have been caused utilizing bb or pellet guns. The vandalisms have occurred mostly in residential areas and concentrated in a five-square-mile area East of Sierra Highway.

The Lancaster Station is seeking assistance with information which may lead to the capture of the person(s) responsible for the string of vandalisms.

I, THEREFORE, MOVE THAT the Board of Supervisors offer a reward of \$5,000 for any information leading to the arrest and conviction of the person(s) responsible for the vandalisms to approximately one hundred vehicles, five businesses and New Vista Middle School since March 10, 2005.
